Tips for teaching

- **Watch first.** Scan the QR code. In the video, kids at Show and Tell say "I have a puppy!" and Foofee tells the class "She has a puppy."
- **Don't say "one person = has".** I and you are one person, but they take **have**. Teach the words: I, you, we, they + have; he, she, it + has.
- **Swap test.** Change a name or thing to he, she, it or they: my mum = she, so my mum **has**; the cats = they, so the cats **have**.
- **The magic switch.** Play Show and Tell at home: your child says "I have...", you say "She has..." or "He has...".
- **Anna and I = we.** Page 3 has this trap on purpose: it takes **have**.
- **Accept good ideas.** On page 3 C, any thing that makes sense gets the point.
